

Bellevue Campus Inverter Status & Error Dashboard

Day
(All)

Month
(All)

Inverter
(All)

Welcome!

This dashboard visualises the how many times each inverter has the status of "Error", "OK/Standby" and "Running". Additionally, it has a chart that visualises how many times each inverter has a specific error.

You're able to filter by day, month and inverter to modify the charts.

Count of status codes

Count of Errors per Inverter
